Policies and Procedures

Dismissal Policy

For the safety of our participants, employees of the Bourne Recreation Department will only release your child to the individuals listed when registered, you may list as many people as you want. If your child needs to be released early due to illness/injury and you are unavailable, we will call the first person listed on your child's Enrollment and Authorization. A message will then be left with parents/guardians to notify them as to who the child is being sent home with.

Specific written notification is required for all changes in your child's pick-up routine. In addition to a day/date specific note, anyone picking up your child must be listed on the Enrollment and Authorization. For your child's safety, verbal notification is not accepted. If unfamiliar to the staff, the person picking up will be required to show picture identification before the staff dismisses your child.

Any changes (including adding or withdrawing names) must be made in writing with the Program Supervisor.

For the safety of the children once a child is signed-out, he/she cannot be signed –in again that day.

Sign-In/Sign-Out Policy

Parents/guardians are required to sign their children in and out every day. This happens outside the gym doors at the Middle School. Staff and the Program Supervisor will be available for sign-in daily from 8:30am – 9:00am. This is the time for parents to provide the Program Supervisor with written notification pertaining to any changes in the child's pick-up routine (for example: early dismissal or dismissal with someone other than the primary pick-up person). Written notification is required for all changes to the normal pick-up routine.

Late Drop-Offs: Our program utilizes the large school property throughout the day. We encourage all children to be dropped off by 9:00am, as we cannot always assign staff members to the sign-in area. If you are dropping off after 9:00am, we will leave a notice at the sign-in area as to the Supervisor's location. Parents will need to bring their child to that location to be signed-in.

All children are brought into the school by 3:30pm to prepare for dismissal. We ask all parents/guardians to wait outside until the staff are prepared for sign-out.

Late Fees (Children Picked Up after 4:30)

\$10.00 will be billed to household account in 15 minute increments.

Transportation

The Town of Bourne Recreation Department is not responsible for transportation to or from the program. Employees are prohibited from transporting program participants. Field trip transportation will be provided by bus, unless there is an illness or behavioral problem. If this should happen, the Recreation Director or the Program Coordinator will bring the child back to the program location.

Safety Drill Information

Throughout the summer, the staff will periodically be drilled on procedures pertaining to various safety issues. Drills will include fire, missing child, accident and stranger awareness drills. Children will be informed at the completion of each drill and will be provided an opportunity to discuss questions or concerns. We will inform parents at pick-up on the day the drills occur.

Summer Program 2018
Policies and Procedures

Medical Policy

The following policies are for the protection of the participants and the staff at the Summer Program. Unfortunately, the facilities are not conducive to accommodating children who are not feeling well. Our staff is CPR and First Aid certified and therefore will have the final decision as to when a child needs to be sent home. For example, your child would be sent home if:

- ➔ They are running an elevated temperature (100.0°F or higher).
- ➔ They show signs of any type of rash.
- ➔ They have a contagious illness/condition.
- ➔ They are nauseous, vomiting or are complaining of a headache.
- ➔ They receive an injury that requires further medical attention.

Children who are sent home with a contagious illness/condition will not be re-admitted to the program without a doctor's note.

For any emergency medical situation, the Bourne Fire Department will be notified first, followed by the parent/guardian. If a parent/guardian is instructed to pick-up a child, transportation for the child must be arranged within the hour. If we cannot reach the parent/guardian, we will call the first person listed on your child's authorization form. A message will then be left with parents/guardians to notify them as to who the child is being sent home with.

Medications

Staff are not allowed to administer any prescription or over the counter medications. Please administer all medications prior to the start of the program. Please do not send your child to the program with any type of medication.

Discipline Policy

The Bourne Recreation Department endorses fair and age appropriate program rules, which ensure a safe and orderly environment. Program staff, parents and guardians working together, can teach respect for others, the necessity for group rules and the need for peaceful resolution of differences. Within our program, participants are expected to adhere to the same behaviors that are required within the classroom. Recreation Department Staff have final say over what is considered appropriate or inappropriate behavior.

Examples of Discipline Procedures:

When a child's behavior departs from the program's standards of acceptable behavior, any of the following may take place as deemed necessary by Recreation Department Staff.

- Conference with the child and staff members
- Loss of program privileges
- Removal from group
- Parents notified
- Loss of field trip/special event privileges
- Suspension from program. Suspension length can vary from 1 day to permanent suspension, and is at the discretion of the Program Coordinator or the Recreation Director.
