

# Bourne Recreation Department

## = Bourne Together =

Welcome to the Bourne Together program, where our priority is the safety and well-being of your children. We have designed 5 weeks of fun, outdoor games and activities to get your child back where they are the happiest, outside (together) with their friends all while maintaining safe social distancing policies.

Monday -Thursdays, July 6th-August 6th  
Bourne Veteran's Memorial Community Building

- 9:00am-11:30am (Ages 7-9)
- 1:00pm-3:30pm (Ages 10-13)

Participants must have completed a year of 1st grade

Bourne Residents: \$70.00/week per child

All participants must be full time residents of the Commonwealth of Ma

Spots are extremely limited this year due to the policies given by the Massachusetts Department of Early Education and Care. We will only be able to enroll 8 children per session. In our best effort to accommodate as many children as possible we have broken up the day by age groups. As the summer progresses, if limitations are loosened, we will accept more participants.

Please read through our parent information and calendar of events attached for detailed information regarding COVID-19 policies and procedures before committing to registration.

We are so happy to be back, even if its limited, and cannot wait to see the kid's smiling faces!

Questions? Please contact Katie at [KMatthews@townofbourne.com](mailto:KMatthews@townofbourne.com) or call 508-759-0600 ext, 5302

## Bourne Together 2020

Welcome to the Bourne Together program, where our priority is the safety and well-being of your children. This Summer will look a lot different in the Rec Department due to the ongoing COVID-19 pandemic, but we are happy to be back even in a limited setting. Below is a list of some quick facts that may answer some questions you have about the program this summer.

- Due to the restrictions set by the EEC, we are limited to 8 children per session per day.
- As many games as possible will be played outside where children can safely social distance.
- During rainy days, games can be played inside the gym maintaining social distancing.
- Sign in will be contactless, and conducted outside of Room 1.
- A verbal and visual screening will be conducted before your child can enter the building.
- All screening records will be kept private and stored in your child's file.
- Visitors will not be allowed to enter the building.
- All activities have been designed to minimize the sharing of equipment.
- Staff will be encouraged to wear a mask throughout the program.
- Children must wear masks when social distancing isn't possible.
- Room 1 will be considered the "base" of the program. Tables will be set 6 ft apart from each other, and children will be assigned a seat. Symbols will correlate with their own bin which will hold all items they brought to the program.
- Sign out will be contactless, and held behind the Community Building outside the Veteran Lobby Doors.
- The Community Center will be cleaned regularly and disinfected at the end of each session.
- Protocols pertaining to First Aid/CPR will be reviewed by the Bourne Fire Department prior to the start of the program.
