IMPORTANT UPDATE ON THE STATUS OF TOWN BUILDINGS

March 16, 2020

As we continue to deal with the issues surrounding COVID-19 and implementing changes to how we provide Town Services and at the same time, keep you and town staff safe, I am implementing the following beginning at 10:00Am today.

In response to the Governor's announcements last evening, **ALL TOWN BUILDINGS WILL BE CLOSED TO THE GENERAL PUBLIC STARTING TODAY, MONDAY MARCH 16, 2020 AT 10:00AM. THIS INCLUDES TOWN HALL, LIBRARY, DPW, AND COMMUNITY CENTER. OUR PUBLIC SAFETY BUILDINGS WILL REMAIN OPEN, HOWEVER IT IS HIGHLY ENCOURAGED THAT EVERYONE CONSIDER DELAYING NON EMERGENCY BUSINESS IN THOSE FACILITIES.**

I will be meeting with staff and department heads later today to discuss how best to continue to provide services to our residents and business community during this time. I will provide additional updates as they become available in the coming days. Staff will be available by phone and email to answer questions, etc.

We will also be working with Boards and Committee Chairs to discuss protocols to allow them to conduct business since public access to the physical location will not be available.
